Data security and protection

We ensure the security of any personal information we hold by using secure data storage technologies and precise procedures in how we store, access and manage that information. Our methods meet the GDPR compliance requirement.

Email Marketing Messages & Subscription

Under the GDPR we use the consent lawful basis for anyone subscribing to our newsletter or marketing mailing list. We only collect certain data about you, as detailed in the "Processing of your personal data" above. Any email marketing messages we send are done so through an EMS, email marketing service provider. An EMS is a third party service provider of software / applications that allow marketers to send out email marketing campaigns to a list of users.

Email marketing messages that we send may contain tracking beacons / tracked clickable links or similar server technologies in order to track subscriber activity within email marketing messages. Where used, such marketing messages may record a range of data such as; times, dates, I.P addresses, opens, clicks, forwards, geographic and demographic data. Such data, within its limitations will show the activity each subscriber made for that email campaign.

Any email marketing messages we send are in accordance with the GDPR and the PECR. We provide you with an easy method to withdraw your consent (unsubscribe) or manage your preferences/the information we hold about you at any time. See any marketing messages for instructions on how to unsubscribe or manage your preferences; you can also [unsubscribe from all MailChimp lists](#), by following this link, otherwise contact the EMS provider.
